Items should reflect a high quality of workmanship, be unique and original, and made by the person who is being juried. By signing this document, I understand that, if accepted, I can only display and sell the same items as the ones that were **accepted** in the jury process. In the event my items duplicate those of another member, I agree to remove them from my booth for the duration of the show upon request. I also state that I have made the items being juried, and will make the items offered at the show.
